## EDUCATION

**Master's Degree in Physics Science**

**Ivan Franko National University of Lviv**

2013-2019

## LANGUAGES

Ukrainian: Native

English: Upper-intermediate

## PROFILE

I describe myself as a person with good communication skills. I am interested in new technologies (Both Front-end and Back-end developing). Quickly find a common language with people. Love to work in team and teach new thing from other people. I like to look for non-standard ways of solving different tasks.

## WORK EXPERIENCE
